THE PRIORY ROOMS MENU

ADD SOME FLAVOUR TO YOUR MEETING

SUSTAINABILITY

In line with Quaker values for a sustainable and ethical business, our tea and coffee are all ethically and sustainably sourced. Our catering suppliers aim to provide locally sourced food where possible to support the local economy and to reduce the environmental impact of our catering. Reducing food miles can help to lower carbon emissions during transportation while making our food fresher and more flavourful.

DIETARY REQUIREMENTS

We cater for a range of dietary requirements and food intolerances. Please inform us at the time of your booking if anyone attending the meeting has any specific requests. A separate meal will be provided.

MEAT FREE MONDAYS

In support of the national Meat Free Monday campaign, once a week we offer our customers a vegetarian menu. It's just one day a week, but through this simple action we are helping reduce our venue's carbon footprint.

We have combined a variety of food choices to bring you a fresh, tasty and healthy Meat Free Monday Menu.

We encourage all customers on Mondays to participate however, you are welcome to opt-out for your meeting and order from the standard menu if you wish - just let us know when selecting your catering choices.

You can of course have a Meat free menu any day of the week.
